MEMORANDUM FOR: National Intelligence Officer for NESA

FROM: Director of Central Intelligence

SUBJECT: SNIE 30/2-85: Iran, Libya, Syria: Prospects
for Increased Radical Cooperation

I sent you a note this morning saying I liked the Key Judgments in your estimate on Iran/Syria. I have since read the comments of the Senior Review Panel and the comments in 4a. and 4b. may deserve your attention. I am always inclined to favor and reflect on important elements in discussion in the Key Judgments which may be all our larger customers ever read.
